The member who has served as President will automatically receive a Life Membership at the close of his or her term of office.

**Section 4.** Applications for membership shall be on forms prescribed by the Secretary and approved by the Governing Board. Such applications, together with a remittance of the first year's dues, shall be sent to the Secretary who shall issue a membership card identified with a membership number. All dues shall be payable in advance, on a calendar year basis, subject to change by a 2/3 vote of the Governing Board. Members outside the United States, defined as any location which does not have a U.S. Postal Zip Code, shall be charged an additional \$6.00 annually to cover increased postage costs. Regular, Associate, and Junior Members not paying their dues for any year prior to March 31 shall be dropped from membership. A member who has been dropped from membership for non-payment of dues shall be readmitted by paying the dues for the current year. Such charges, with particulars thereof, shall be filed with the Secretary, who shall thereupon mail a written copy or summary thereof to the accused member at the last address furnished by him or her to the society. The accused member shall be afforded a reasonable opportunity to enter a written defense to such charges. The matter shall then be referred to the Governing Board which shall determine the case under such rules and regulations as may apply. The Governing Board may dismiss such charges, or it may censure, suspend or expel the accused member. It may cause the result of its action to be published in the official publication of the society

**Section 7.** Whenever the Governing Board is informed (through sources deemed by the Board to be reliable) that a member has been indicted or otherwise prosecuted for the alleged commission of a criminal offense, the Governing Board may suspend such member pending the final determination of such proceedings. In the event that the Governing Board (through sources deemed by the Board to be reliable) is informed that a member has pleaded guilty to the commission of a criminal offense or has been judicially convicted of committing a criminal offense, the Board may expel such member unless an appeal is pending from the conviction upon which the expulsion may be based and the Board has been informed thereof. A member may be suspended or expelled pursuant to this Section 7, whether or not written charges are brought against him and without compliance with the requirements of the preceding Section 6. The Governing Board may cause the result of this action to be published in the official publication of the society.

### **Article III - Officers, Governors, Governing Board**

**Section 1.** The society shall have a President, Vice-President, Secretary, Treasurer, and three (3) Governors, all of whom are elected in the current period, and the immediate Past President who was replaced by the current President; these elected positions shall constitute the voting members of the Governing Board, which shall govern the affairs of the society. The society shall also have a Historian, Editor, and Webmaster who are appointed by the President (subject to the approval of the elected members of the Governing Board), and who shall serve as advisory members of the Governing Board. These appointed Governing Board members participate in all Governing Board discussions, but do not have a vote on issues brought before the Governing Board.

**Section 2.** The President, in 1971 and in each odd numbered year thereafter, shall issue a call for nominations of officers and governors in the issue of the official publication of the society published in January of said year. All nominations shall be made in writing to the Secretary until March 31st of said year. Nominations shall be made only by Regular, Associate, or Life Members in good standing at the time of submitting the nominations. Nominees must be Regular, Associate, or Life Members in good standing at the time of nomination. No member may nominate himself. The Secretary shall promptly write to each nominee notifying him or her of all such nominations and requesting his or her written acceptance or refusal thereof. The use of e-mail shall be considered an acceptable means of notification and acceptance, if the Secretary and the nominee have access to such methods of communication. No nominee shall accept a nomination for more than one elective office in any one election.

**Section 3.** The Secretary shall cause a list of accepted nominations and the actions of the nominees thereon to be listed in the *TEC News* issued in April. The publication should include a biography, supplied by the nominee, not exceeding 200 words in length, of each nominee who has so accepted a nomination. Such biography should include a record of his or her services to the society and to numismatics in general.

**Section 4.** The Secretary shall cause the names of all such nominees who have so accepted to be printed on official ballots and shall cause one of such ballots to be mailed, at least 40 days prior to the election year membership meeting, to each Regular, Associate, and Life Member in good standing, together with an envelope marked 'Official Ballot' and addressed to the Secretary. Each envelope shall bear a different number, but the numbers selected shall be within the sole discretion of the Secretary. All Regular, Associate, and Life Members in good standing shall have the right to vote. Junior Members and Honorary Members shall not have voting rights and may not hold an elective office. Voting shall be by mail only. Each voting member shall insert his ballot in said

numbered envelope, apply postage, seal and mail the same. Such envelope must be postmarked at least 20 days prior to the date of the election year membership meeting in order for the ballot therein to be counted. The Secretary shall retain all sealed ballots unopened and, on the first day of the convention, shall deliver said ballots and a list of the envelope numbers selected to an Election Committee to be appointed by the President.

The Election Committee shall consist of not less than three (3) nor more than five (5) members of the society who are not candidates for office. Such Committee shall tabulate only those ballots that are included in envelopes bearing numbers corresponding to those selected by the Secretary. Write-in candidates are not allowed and are not to be considered. In instances where more than one envelope bears the same number, the Committee shall endeavor, by an inspection of the envelopes and the ballots therein, or by other means, to determine which ballots are falsified. Any ballots received in election envelopes containing any documentation or material other than the official ballot shall be deemed invalid and shall not be counted. The Committee shall cause all valid ballots, all envelopes, and a report of the votes cast for each candidate to be delivered to the Secretary promptly following the tabulation.

**Section 5.** The candidate or candidates receiving the largest number of votes for the respective offices shall be declared duly elected. The President shall announce the names of those duly elected at the election year membership meeting. Formal installation ceremonies shall be optional. New officers and Governors shall assume office following the close of the last business session of an election year convention.

**Section 6.** In the event that an office is uncontested, and a single candidate is running unopposed for said office, that candidate shall be announced on the ballot as unopposed, but voting and tabulations for that office shall not be necessary. Candidates running unopposed shall be declared elected at the annual meeting. In the event that all candidates running for all offices are unopposed, there shall be no ballots mailed; the President (with approval of the Governing Board) shall declare the candidates elected by acclamation at the membership meeting.

**Section 7.** The Officers and Governors shall have the usual duties inherent to their respective offices in conducting the affairs of the society and shall serve until their successors are elected. Such service shall be without compensation unless otherwise authorized by the members at any annual meeting.

**Section 8.** All Officers and Governors must be Regular, Associate, or Life Members in good standing who have attained the age of 21 years. No member shall be eligible to be elected to serve as President unless he or she shall have previously served at least one complete two-year term as an elected member of the Governing Board.

**Section 9.** The President shall preside at all meetings and generally supervise all matters of business of interest to the society. In the absence of the President at any meeting, the next highest officer present shall preside in the order named in ARTICLE III, Section 1 hereof. The President shall have the authority to make decisions on routine and urgent matters of importance that arise in the period between meetings. Such actions shall be reported to the Governing Board.

**Section 10.** A vacancy in any office shall be filled by appointment by the President, subject to the approval of the Governing Board.

**Section 11.** The President shall appoint such committees as deemed necessary or proper for the conduct of the affairs of the society and may appoint other personnel required by the society, such as Sergeant-At-Arms, Historian, Librarian, Legal Counsel or others, as deemed necessary. The Editor shall be appointed by the President, subject to the approval of the Governing Board. The Editor shall have the authority to set advertising rates with the approval of the Governing Board. The Historian, Editor, and Webmaster shall constitute the non-voting members of the Governing Board. Other personnel serving in official capacity for TEC may also be considered as constituting non-voting members of the Governing Board at the President's discretion (with Governing Board approval). The President shall be deemed an ex-officio member of all committees.

**Section 12.** It is recommended that the Treasurer and Secretary be bonded. Any expense incurred in bonding shall be assumed by TEC.

**Section 13.** The President may issue awards in recognition of outstanding service or actions by an out-going or retiring officer, a subordinate officer or member. The President may also authorize a special recognition award to be presented to Junior Members on their birthdays. The Editor of TEC News may issue an award to members who have contributed to the publication during the year. The Secretary may issue an award to members who have contributed to the recruitment of new members to the society during the year. The scope and value of such awards to be established by the Governing Board.

#### **Article IV - Meetings**

**Section 1.** A meeting of the Governing Board and a meeting of the Membership shall take place during each Annual Convention of the American Numismatic Association at the site of such convention.

---

**Section 2.** Each voting member of the Governing Board shall have one vote on any and all issues to be voted upon. All issues and affairs of the society shall be determined by a majority vote of the voting members of the Governing Board present and voting. Decisions of the Board shall be reviewed at the membership meeting. Such decisions may be over-turned by a majority vote of the members present.

**Section 3.** All meetings shall be conducted according to *Robert's Rules of Order*, newly revised.
