

Governor Dee Drell 2018 Annual Report

Here is my annual report.

It is hard to believe I have already nearly finished my first year as a Governor. It has been an active year for me, both in my work and in TEC. It is gratifying to see this club so active and enthusiastic. This year, in addition to participating in club decisions, I was able to do a few, hopefully helpful, things. First, I created a display of Christmas coins at the FUN show in January. It was a good first effort, I think, and I was pleased to be given the Dillard award. Second, as I write this, I am finalizing a tri-fold sheet to use in recruiting at coin shows. It has taken me a while to get it done and I am hopeful it will advance our interests. I have also written an article for the News that talks about some of the finer points of exhibiting. For the upcoming year, I will have some additional input on club promotion and cataloguing. One of my long term goals is to publish a comprehensive listing/catalog of Christmas elongateds.

Respectfully submitted,

Dee Drell
