

REPORT OF THE PRESS AGENT

July 2019 – July 2020

During this reporting year, I submitted two articles to *The Mintmark*, ANA's Club Representative newsletter. Also submitted were several photos of Ray Dillard upon his death at the request of *Coin World*. A photo taken by me of Mint Director David Ryder holding an elongated cent was published in *Coin World* in late June. There were other items but I cannot find them in my computers. Plans for the near future include publicizing our yearly offerings to the general numismatic community through several outlets.

Respectfully submitted,

Robert F. Fritsch
